**Date Set for Provincial Seed Fair**  
The Alberta Provincial Seed Fair will be held in Edmonton during the week of January 15th, 1929, it is announced by Field Crops Commissioner W. J. Stephen. It is expected that the attendance will include a large number of farmers interested in the production of high quality seed grain, as well as many delegates to the U. P. A. annual convention which is to be held in Edmonton during the same week. Arrangements are being made, as in previous years, to hold the annual meeting of the Alberta Seed Growers' Association at the same time.

## Gasoline Consumption Steadily Increasing

Sales of gasoline in Alberta for the first ten months of 1928 have exceeded by some 6,000,000 gallons the sales in any previous year, according to figures issued by the Department of the Provincial Secretary. This increased consumption is attributed to the ever-growing use of tractors, grain trucks and combined harvesters in the province as well as the increased number of automobiles licensed during the present year.

Records show that the consumption of gasoline in Alberta for the past seven years, with the exception of November and December, 1928, has been as follows:

1922	9,256,926 gallons
1923	12,062,388 gallons
1924	15,708,307 gallons
1925	15,570,283 gallons
1926	21,188,898 gallons
1927	25,000,000 gallons
1928 (to Oct. 30)	31,000,000 gallons

New York, Nov. 13.—All but a comparatively few of the 330 passengers and crew of the Vestris today were apparently safe on board the vessels of the rescue fleet.

## Alberta-To-Coast Telephone Service Inaugurated

A new inter-provincial telephone service was initiated on Tuesday last when the first telephonic conversations were carried on over the all-Canadian line between Alberta cities and those on the Pacific coast. Previously this connection has had to be made through Cutts, Great Falls, Spokane, Seattle, and thence to the coast, and it is expected that the new line will greatly facilitate telephonic communications between points in Alberta and the coast cities.

## Chief Mining Inspector Has Assumed Duties

Andrew Millar, recently appointed chief inspector of mines for the province, succeeding John T. Stir, who resigned some time ago, took over the duties of his new office on November 1. Mr. Millar was formerly manager of the Saunders Ridge Coal Company at Merced.

## Alberta Poultry for Royal Show

Alberta fanciers will again be well represented in the poultry classes at the Toronto Royal Winter Fair where in previous years they have carried off a good share of prizes. Approval of the grant made for this purpose has again been given by Hon. George Handley, Minister of Agriculture, and the selection of the birds which will go east has been made by a committee representing the provincial poultry association.

## Many New Settlers On Irrigated Farms

During the past year in the neighbourhood of 140 families have been settled on irrigated farms in the Lethbridge district it is announced by James Pike, director of colonization for the Lethbridge Northern Irrigation District. This brings the total farm population in the Lethbridge Northern area up to some 800 families. Crops in the irrigation section have been very good during the season, states Mr. Pike, but suffered, as in other parts of the province, from the effects of bad and frost and the probable result will be that more attention will be paid to wintering.

## Harvesting of Sugar Beets Completed

Harvesting of sugar beets in the territory tributary to the plant of the Canadian Sugar Factories Ltd. at Raymond has been completed and the yield on the average is reported to be very satisfactory. Harvest started on September 27 and the last beets were shipped to the factory about November 6th. Owing to the favorable season, the beets grown this year are reported to have an exceptionally high sugar content. The first payment to the growers was made on November 3rd, when \$120,000 was distributed for the beets delivered at Raymond up to October 31st. This amount, it is estimated, represents slightly over one-third of the payments which will be made for the entire crop.

## Provincial Corn Show Cancelled

Owing to the unusual weather conditions during the latter part of August and early September, and the consequent reduction in the quality of much of the corn grown, the directors of the Provincial Corn Growers' Association after making a careful survey of the situation have decided against the holding of a corn show this fall. It may be noted that similar action has been taken by those in charge of the Saskatchewan corn show for this season.

## Active Month in Telephone Department

Continued expansion of its service throughout the province during the month of October is reported by the Department of Telephones. An increase of 425 stations in operation is shown for the month, bringing the total increase for the first ten months of 1928 up to 2,700. In the Peace River and Grande Prairie districts new offices have been opened at McLellan, Nampa, Wainman and Prentissville and a new large distance line connects Grande Prairie and Wainman. It is expected that an exchange will be opened shortly at Fairview and that existing equipment will be moved to new townships at Hythe, Beauvalley and Blakesley.

## SUPER-EQUIPMENT WILL RUSH RED TRAIL GRAVEL

There has been considerable criticism in Lethbridge and Macleod over the fact that, though the contract for the graveling of the Red Trail between those two points was awarded two weeks ago, not a yard of gravel has yet been placed. During that time the finest of weather has prevailed, and it was thought that the graveling would be done before this date.

## Alberta Motor Association Convention

Lethbridge delegates to the Alberta Motor Association convention in Edmonton Friday interviewed department of public works officials on the matter, and wired the Herald as follows: "Officially advised that the delay in graveling the Macleod-Lethbridge highway due to McDonald Bros. contractors, having purchased all new super-quality equipment, which should arrive shortly, when aggressive work will commence and be rushed to completion."

## Lethbridge to Cardston SECONDARY HIGHWAY WILL BE GIVEN GREATER ATTENTION

Calgary, Nov. 9.—Greater attention will be paid to a secondary road program in Alberta, and such highways as the yellow trail from Lethbridge to Cardston will be made much more passable, said Hon. L. McPherson, minister of public works, to a delegation from the Alberta Development Board at Calgary yesterday. The great increase in the use of trucks by farmers is forcing the government to take action, he said, and no matter what the program of the adoption of uniform secondary roads will be made much more passable, said Hon. ## THE JAZZ SPIRIT OR COMMON-SENSE

In these days people are working and playing under high pressure, and the few who have been able to elude the prevailing spirit are looked on rather pityingly as out-of-date old fogies.

The many sudden deaths from heart attacks are attributed by medical men to the strain caused by

the unending rush and hurry, which does not stop with the end of the day, but is continued long into the night. Late parties, dances, and the excitement of night are playing havoc with the health of men and women who are in business, or any kind of regular employment.

It is not the physical or mental strain of the working hours that cause the trouble, but the insatiable thirst for change and amusement cuts into time which nature's inexorable laws demands for rest and sleep.

Idle people, who are unfortunate in having no work to do, started the fashion of late, or all-night parties, and the rest of the world has followed the fashionable leaders like a flock of sheep.

Speaking for the men, it is safe to say that 90 per cent dislike, or even detest, the prevailing practice of starting dances and bridge parties at 10 o'clock or after, continuing till the small hours of the morning. Yet slaves to an indefensible custom, and to keep peace in the family, they meekly submit to an unkind fate that condemns them to burn the candle at both ends.

It is common nowadays to excuse our follies by attributing them to the jazz spirit that has captured society. Well, the jazz spirit is over-capitalized, and it is high time an exact

## MACLEOD VETS HOLD BIG SMOKER

A very successful smoking concert was held on Monday evening last at the Canadian Legion Club room. Over a hundred members were in attendance and a real happy evening was enjoyed with the lads heartily singing their old war songs and joining in the choruses of the many excellent solos rendered. Snokes and refreshments were served during the evening and President Ashley Grier kept things alive by not allowing one slow moment but a continuous program of mirth and song. Among those contributing to the program were the McLean Brothers from Monarch, Wm. Whitworth, Freddy Heal, C. P. McGladery, Bobbie Horsburgh and Alf Bawden with Charlie Underwood presiding at the piano. During the evening a very interesting address was given by President Johnson of the Lethbridge Club, who also gave a good vocal solo "Mother Macree."

## UNITED CHURCH BROTHERHOOD

The "United Brotherhood" met on Tuesday evening at 6:30 in the United Church Hall. Chef Brooks with his competent staff served a dainty lunch of potatoes, macaroni and cheese, with pickles and sauce, followed by muffins, rolls and applesauce. Ivor Brooks, chairman for the evening, made his maiden speech as toastmaster most competently while Dick Parter was the fortunate winner of the prize, a handsome celluloid spotted turtle presented by Jack McDonald the last week recipient. During the business session it was unanimously decided to install a library for free public use this winter and the application was duly signed. There will be a Reading Competition during the winter and for this work A. F. Grady and J. Griffin were chosen captains. In the competition it is allowable to invite gentlemen friends of the contending sides to read books to bring credit to the respective groups. There'll

STANDOFF W. L. HEARS MRS. O. C. EDWARDS

The Standoff Women's Institute at the last regular meeting, held at the home of Mrs. J. E. McNeil, had the privilege of a visit from Mrs. O. C. Edwards of Macleod. There was a large attendance of members present to welcome Mrs. Edwards to the Standoff Institute. Mrs. Edwards has just recently returned from the convention of the National Council of Women of Canada held at Toronto, and of which she is one of the leading officers, being the convener of laws. In her most interesting address to the Institute, she gave a full and descriptive outline of the proceedings of the convention, referring more particularly to her own section of the National Council, viz., the local status of Canadian women and children. She also referred to the endowment fund which the National Council have undertaken to raise and gave an account of the aims and objects of the fund and the purposes for which the money is to be raised. Mrs. Edwards is always a most interesting and instructive speaker, and on this occasion all present were delighted to have had the opportunity of listening to her address, which was brimful of useful information for the benefit of the women and children.

Mrs. Wyard in her usual pleasing style sang a solo and the hostess provided delicious refreshments, bringing to a close a most enjoyable meeting.

## The Empire Opportunity in Manufactured Goods

Of 38 groups of manufactured goods Canada sells the Empire to the total of \$178,000,000. It is to be remembered that the Empire imports from all countries these goods to the amount of \$2,571,000,000. The British Empire presents a tremendous opportunity for the development of export on these commodities.

ROLL down the map of the world. Follow the British Empire red through the continents and across the seas. There you see beckoning markets for Canada—where fewer trade restrictions intervene, where British tradition is appreciated, where Canada is known. There we can sell. There we can also buy.

Canada is buying more Empire goods than ever before—things we cannot grow or make—raw materials for our factories. Since 1922 Canada's imports from Empire countries have increased 67 per cent. Last year we bought Empire goods to the value of \$250,000,000.

And what is Canada selling the Empire? Last year we shipped \$500,000,000 worth of our products to other British lands, an increase of 44.3 per cent. in six years.

The various parts of the Empire want more Canadian goods. A demand exists among them for Canadian manufactures, or for the products of Canadian lands or waters. But we must see that our exports are maintained at a rigid standard, that they are packed as consumers desire, and that our prices are right.

To encourage this growing Empire trade, eleven of Canada's twenty-four Trade Commissioners abroad, are working in Empire centres. They are familiar with the demands of the people among whom they live. Their services and the information they gather are at the command of any Canadian producer or exporter. To get into touch with Trade Commissioners, write the Commercial Intelligence Service, Department of Trade and Commerce, Ottawa.

When you buy Empire goods, you do a part in making possible greater Canadian exports to these sister countries. Where we sell, we must also buy.

COMEDIAN WHO MADE MILLIONS LAUGH MINGLES DRAMA WITH HIS FILM FUN—CHARLIE MURRAY HAS NEW TYPE OF ROLE IN "THE HEAD MAN"—HAS BEEN PUBLIC ENTERTAINER FOR QUARTER OF A CENTURY IN THE CIRCUS, ON THE STAGE, IN VAUDEVILLE AND ON THE SCREEN

The Irish actor who has brought millions of laughs to millions of people in the last quarter of a century in the circus, on the stage, in vaudeville, and on the screen—Charlie Murray, featured comedy artist in First National Pictures—will be seen on Wednesday and Thursday, November 21 and 22, at the Empress Theatre in "The Head Man," in which his gifts as a comedian are supplemented with a pathos and an emotional and dramatic power not usually associated with his name.

Charlie Murray first saw the light of day in Laurel, Indiana, and he must have been grinning ever since. He is one refutation of the theory that comedians are proverbially morose and unhappy except when working in character.

Murray was a clown once with John Robinson's circus—a show that is a classic in annals of tent productions. Then he went out with an Indian Medicine show and did all sorts of comic turns while Dr. White Cloud was selling his rare snake oil or whatever the particular cure-all may have been.

From Circus to "Rep" Finally he got an engagement with a repertoire company—The Baldwin-Melville Company. It was—and appeared in every one of the eighteen plays they regularly presented.

Finally he met Ollie Mack, that famed and excellent comedian, and they formed the team of Murray and Mack. For twenty years and five months they toured the country, being every crossroad as well as every city and town in America, generally speaking.

Finally Mack passed on and Charlie went into vaudeville. He started in the picture world in 1913 with D. W. Griffith in a split-reel film.

CHARLIE CHAPLIN IN "THE CIRCUS" COMES TO EMPRESS THEATRE THIS WEEK—LATEST COMEDY A MERRY TALE OF PEANUTS, SAWDUST, TIGERS AND PINK LEMONADE

Charlie Chaplin in "The Circus" Peanuts... sawdust... pink lemonade... clowns, tigers, elephants, roaring lions, acrobats, wire-walkers, and Charlie Chaplin in his brand new comedy will all be at the Empress Theatre Thursday, Friday and Saturday of this week. Written, directed and produced by Charlie Chaplin, "The Circus" was two years in the making and it is the first Chaplin comedy since "The Gold Rush."

Charlie plays a wandering lad who is mixed up in a series of hilarious adventures, chases, arguments and evasions that land him in "The Circus" as a very fine fellow, Morna Kennedy, with red hair and just five feet, two, with eyes of blue, is his leading lady; she makes her screen debut in the role. Others in the cast are Harry Crocker, Henry Bergman, Betty Morrissey and Allan Garcia.

According to officials of United Artists Corporation, which released the new Chaplin comedy, "The Circus" presents the Chaplin of old, the Chaplin of "Shower Arms," "Pay Day" and "The Pilgrim"—the thumping, bumping little man with the trick derby and cane, the wriggling moustache and the feet almighty. Chaplin himself announced during production of "The Circus," which was made at his own studio in Hollywood, that his new picture would be "a low brow comedy for high brows."

The Manager of the Empress Theatre said that he felt "highly gratified" in being enabled to present at his theatre Charlie Chaplin's first comedy in two and a half years, especially so because he considers "The Circus" the funniest Chaplin picture he has seen in his many years of motion picture exhibition.

MACLEOD PRESBYTERY OF PRESBYTERIAN CHURCH MAY AGAIN BE RE-STORED

At the recent annual meeting of the Alberta Synod of the Presbyterian church held in Grace church, Calgary, a petition was submitted seeking the restoration of the Macleod Presbytery which was done away with at the time of church union. The recommendation was accepted by the Calgary meeting but will have to be submitted to the General Assembly of Canada next June for final sanction.

If it so happens that the recommendation is accepted Rev. W. E. Kelley of St. Andrew's Presbyterian church, Lethbridge, will be the first moderator of the Macleod Presbytery, this being decided upon at the closing session in Calgary on Thursday.

## PRESENTATION TO MISS MARJORIE DUFOR

On Tuesday evening, November 13th, at the invitation of Mr. and Mrs. F. J. Cutler, a very happy company assembled at their residence, composed chiefly of the choir of Christ Church and other friends, in honour of Miss Marjorie Dufour, who is very soon to become the bride of Mr. Joseph Horn. The company were very soon in a happy mood. Mr. Percy Longly, in his inimitable manner, contributing largely to the entertainment while he, Mr. Brooks, Mr. Bingham and others contributed songs, duets, quartettes and various other items. During the evening very dainty and appetizing refreshments were served by the hostess, and opportunity was taken to present Miss Dufour with some little but useful articles as souvenirs, and in appreciation of her long connection with Christ Church, and her services, chiefly as organist for some years.

Rev. E. Randall Powell, after a few remarks in which he spoke in high esteem of the bride-to-be in the name of everyone connected with the church, expressed the wishes of all for a happy future.

Mr. W. Brooks, on behalf of the choir, presented Miss Dufour with a beautiful silver compote and butter dish, voicing his approval of all that

had been said as to the value and appreciation of the young person who was leaving Macleod and shortly to take up her residence in Calgary. The Rector then presented Miss Dufour with a very pretty worked cloth, the gift of Miss Mower, and then, on behalf of the congregation of the church, presented a silver cake stand.

Miss Dufour responded in a few words, thanking everyone for the kind expressions voiced, and the beautiful presents she had received.

The meeting came to a conclusion when Mrs. Cutler struck the chords of "Auld Lang Syne" on the piano, and with gusto the well known air was sung. With a vote of thanks to Mr. and Mrs. Cutler for lending their home and contributing so largely to the entertainment, a very pleasant evening came to an end.

Later another appointment came to the command of the Manitoba and Northwestern Ontario division where a very aggressive army work was carried on.

Mrs. Steele who has had many years of varied experiences as an officer having had charge of many of the most important centres of work in Eastern and Western Canada.

The Salvation Army is continually on its onward march in aggressiveness and those interested bespeak for the new leader a period of splendid and inspiring successes.

**MACLEOD CHURCHES MARK ARMISTICE**

Special Thanksgiving and Armistice services were held in the Macleod churches on Sunday, Christ church (Anglican), the United and St. Andrew's Presbyterian all met at 10:45 a. m. so as to be ready for the two minutes silence at 11 o'clock which was duly observed in all the churches.

In Christ church the Rev. F. Randall Powell, rector, took for his subject at the morning service: "The cup that my Father hath given me to drink, shall I not drink it?" He referred to the cup of war which the British empire had been given to drink, but in the bottom of the cup, "Armistice day" there was joy. At the evening service Mr. Powell's subject was taken from the text "After the Fire, the Still Small Voice." At both morning and evening services, Walter Brooks sang very feelingly and beautifully "In Flanders Field." Mrs. Cutler played the accompaniment, presiding at the organ both morning and evening. The church was beautifully decorated with flags, flowers, grains, etc. Large congregations were present at both services.

At St. Andrew's church the Rev. Alex. Ferguson, M. A., at the morning service took for his subject, "In Everything Give Thanks." He said that we ought to thank God for growth, not only of the seed sown in the ground, but in everything, for health and all temporal things. Looking back over the year, the great wealth of the country, east to west, south to north, all over wealth in abundance. Thanks for the open Bible, for the Sunday services, for schools and all educational institutions, these were blessing derived through the open Bible. Blessings that never grow old. Mr. Ferguson's discourse in the evening was based on the words, "What doth the law require of thee, but to do justly, love mercy and walk humbly before God." The junior choir at the morning service rendered a special anthem and at the evening service the senior choir sang two anthems, "The Eyes of all Wait on Thee" and "The Splendors of Thy Glory Lord." The church was appropriately decorated with grains, fruits, vegetables and flowers. There was a large attendance at both services.

At the United church the Rev. J.

## From the Best Car Out

We have unloaded this week from what the shippers claim is the best car of winter apples out of the Okanagan this season the following desirable varieties: Jonathan, Wagner, Rome Beauty, Northern Spy, Winter Banana, and Delicious. In order to get these desirable varieties we had to pay a premium, but you will pay no more than for apples of inferior quality. We have priced these apples from \$2.00 for Jonathan Orchard Run to \$3.50 for extra Fancy Delicious, with the other varieties coming in between. You can't be disappointed in getting apples from this car.

The Canadian Legion, Macleod branch, held their tenth annual military ball Friday night of last week in the Hudson's Bay Hall, and as is always the case, this ball was one of the events of the dancing season in Macleod. A very large crowd, not only from Macleod but from all over the district, always patronizes this ball, as it is now an established fact that the Vets provide an enjoyable entertainment. The crowd Friday night was no exception, the hall being filled almost to capacity—that means about 175 couples present. Whittaker's orchestra, Lethbridge, supplied the music, and dainty refreshments were served at midnight. The committee in charge of the arrangements com-
